

[Waze Embraces YouTube Music For A Happier Commute](#)

Pew Research Center 

FOR RELEASE DECEMBER 10, 2018

## Artificial Intelligence and the Future of Humans

*Experts say the rise of artificial intelligence will make most people better off over the next decade, but many have concerns about how advances in AI will affect what it means to be human, to be productive and to exercise free will*

By Jenna Anderson, Lee Rainie and Alex Luchsinger
